

PARNorth America Supports the Recovery Agents Benefit Fund in a BIG way!

The Recovery Agents Benefit Fund was invited by PAR North America to attend its Repossession Agent 2nd Annual Agent Event held in late June in Indianapolis, IN. Like many other client invitationals, the event provided for Golf, Agent Awards, Dinner and in this particular case, indoor Go-Karting.

Regardless of the state of the industry, repossession agents will find ways to attend most any meeting where they feel they can get face time with their client; and this event proved to be no exception. With over 100 repossession agents in attendance, PAR welcomed them into their offices and planned social events; including a spectacular live auction.

The surprise auctioneer was PAR North America's own CEO, Lisa Scott. Through her undoubtedly exceptional skills as an auctioneer and her playful banter with attendees, in addition to donations from PAR and its vendors and sponsorships, the Recovery Agents Benefit Fund received a check in the amount of \$40,000.00 from the proceeds of this year's event.

To put things in perspective, at last year's 2017 inaugural Agent Event PAR's donation to the RABF was \$5000; this year it is \$40,000.00! With support like this the Recovery Agents Benefit Fund will be able to continue assisting families in some of their darkest times and when the assistance is needed the most.
